

DPERWA would like to take this opportunity to wish Sharon Murray, ERW Councillor, a very happy retirement. She will be missed by all of the many students & staff she has worked with over her 30-year career with Dufferin-Peel. She will, as well, be missed by all of us on the DPERWA Executive Committee.

Sharon's retirement has created a vacancy for the ERW councillor's position. As per our Constitution—Article VII, Section 11—we are seeking a temporary appointment to the position of ERW Councillor to fill an immediate vacancy until June 30th, 2025.

Duties include attending monthly Executive meetings & all membership meetings, chairing and/or serving on sub-committees as required and promoting the interests of the Union. Please see your DPERWA Constitution for more details.*

If you are interested and are a permanent ERW, please contact Kimberley Crhak (vp2@dperwa.com) before September 5th.

If there is more than one candidate, a by-election will be held.

**A full job description will be provided upon request.*
